

Family Reunion Photo Display

2007 SENTIMENTAL JOURNEY PHOTOGRAPHIC FAMILY REUNION

The theme for the Perry's 2007 Sentimental Journey is Reunions. One of the best reunions is a family reunion. We are asking you to participate in a photographic display that shows your family.

Place your family photographs on a sheet of 24" X 36" foam poster board. Label the photos and decorate the poster to best illustrate your family. The posters will be placed in the window of Stitches in Time Antique Shop and the Ben Franklin Store during the Sentimental Journey Celebration. A panel of judges will award ribbons to the best designed posters.

Your photos may be old or new and can include parents, children, grandparents, grandchildren, and other members of your family that you want to include in the display. The photographic theme can also illustrate how your family has changed over time. You can also state when your family or ancestors moved to the Perry area. The poster and photographs will be returned at the conclusion of the Sentimental Journey Celebration.

The posters are to be turned in on August 20th and the photographs must be on a 24" X 36" foam poster board and only one entry per family. A limited number of poster boards have been donated by the Moews Seed Company; they can be picked up at the Home Town Perry office. The poster boards can also be purchased at the Ben Franklin Store.

If you would like to participate in the Family Reunion Photo Display contact Ray Harden at 465-5504 or Don Ruggle at 465-4247.
